4. Lorna introduced Alison Moody-Stuart, Branch Manager of Marlin Travel at Champlain Mall who spoke on travel. Marlin Travel is a division of Transat A.T. a Canadian company with headquarters in Montreal (TSX: TRZ.A TRZ.B). They are an *Airmiles* sponsor.

Alison emphasized the need to purchase adequate travel insurance when traveling beyond the BC border. While Canada has a universal medical program the system does not provide uniform or standard benefits across the country and is very deficient in covering international travel. Travel insurance costs are determined by number of days out of province, age and preexisting health problems. Annual policies are available for frequent travelers. Policies may also available that cover visitors. They may be purchased in advance of after the visitor arrives. If purchased in advance coverage is immediate, if purchased on arrival coverage takes effect 48 hours after arrival. Check that your policy covers all planned activities and has 24/7 contact number for assistance.

Alison noted the passports are the best identification to use when traveling, even within Canada. Passports are mandatory if traveling into, through or over the USA. Airlines will not issue international tickets without a valid passport. The name on the airline ticket must be the same as that on the passport.

Alison described the Cash Passport, a prepaid of VISA card, accepted worldwide where VISA is available. The cards are preloaded with a minimum \$250 and maximum \$9,000.00 and can be reloaded. The cards are not linked to bank accounts. The cards do have an initial cost and possibly other fees and costs.

Alison described some of the Cruises available, including Alaska. Her company does some block booking and is able to offer some discounts. Last minute deals are displayed on a sign at her office on Tuesdays and Wednesdays.

## 5. Committee Reports:

**Presidents Report:** Lorna reported on the success of the book launch April 8, 2011. 109 people signed took the time to sign in at the event held at Sunset Community Centre. Many more attended as all seats were taken. The launch was well supported by the six constituent groups who prepared luncheons and contributed recipes to **Meals & Memories**.

250 people took part in the various luncheons. New Horizons people commented that Meals & Memories is one of the most successful projects in the three years of the program. A special thanks to John Wright and the staff at SVNH for their contribution of time, effort. SVNH hosted four of the six luncheons. A big thank you Donna and Gail for staffing the sign in table and for selling books. A few books are still available at \$25.00 each. Contact Lorna or George if you wish a copy. They make wonderful Mothers Day gifts.

Lorna reported on a meeting with Stephen Mancer of Lumina Marketing. His firm promotes and facilitates *Life Lease Housing*. Life Lease is a concept that has been available to nonprofits for several years. It works best when the nonprofit has an under utilized land asset. SVSACS does not have the means to engage in the concept.

**Annual General Meeting:** Bert Massiah will lead the nominating committee and determine the date, time and location of our 2011 AGM.
